

Who has to create an account? You AND your parent/guardian need a FSA ID

Where do I go to set up an account? Go to studentaid.gov

**Will I need this information again?** Yes, Be sure to write down the information and <u>SECURE IN A SAFE LOCATION</u>. You will need it every year to complete FAFSA EVERY YEAR your student goes to college.

**What email should I use?** Use your personal email address for this because you will need it to file your FAFSA annually.

**Do I need an email to create an account?** Yes. You'll be required to provide either your email address or your mobile phone number when you make your FSA ID. Providing a mobile phone number and/or email address that you have access to will make it easier to log in to ED online systems and allow additional account recovery options.

**Important:** A Social Security number, email address, and mobile phone number can only be associated with one FSA ID. If you share an email address with someone else, then only one of you will be able to use that email address to create an FSA ID.
